Billing questions

How are vehicles counted?

Every vehicle saved in “My fleet” counts, whether or not it is rented this month.

Is there a commitment?

Not on monthly plans: cancel at any time from your subscription page. Yearly plans are paid upfront, with 20 % off.

Can I change plans?

Yes, at any time. The change is prorated.

What about winter, off season?

On a monthly plan, you can stop in winter and start again in spring: your fleet and templates stay in your account.

How do I pay?

By card, through Stripe. Your invoices are available in your account.

Do my customers pay anything?

No. You offer the road book: no account and no payment for the customer.
